EFFICIENCY

We provide customized and efficient solutions to our clients' needs.

SAFETY

We provide the confidence of knowing that your investment will be safe.

REAL ESTATE LAW FIRM

Real Estate Services

Due Diligence - Real Estate Investigation

When it comes to buying a property, due diligence is essential. We take care of performing a legal investigation of the property you intend to acquire. This involves the request and analysis of key documentation to protect your investment. In addition, we verify the legal status of the property before the Public Records Office and validate the accuracy of the documentation provided by the seller. With our experience, we help you to identify any potential investment risk.

Preparation and Review of Promissory Contracts

At WSR Baja, we understand the importance of reviewing the contracts you will sign in Mexico. That is why we offer our services of preparation and review of promissory contracts. We carefully examine the legality of the contract, focusing on its clauses and obligations that may affect you. Our goal is to provide a clear view of the terms, to identify any potential risks, and to negotiate that the clauses are appropriate to your needs.

Real Estate Services

REAL ESTATE LAW FIRM

Development and Construction Trust

This trust is designed for investors interested in construction and real estate development, as it streamlines all the necessary procedures for the successful completion of a project. One of its advantages is that it can be established by various individuals or entities, who can contribute property, construction resources, marketing, and more. This trust serves as a legal, secure, effective, and transparent mechanism. At WSR Baja we handle all formalities between the Notary's office and the bank. Additionally, we develop customized strategies to establish the legal structure of your project and optimize your resources.

Tax Advisory for Real Estate Transactions

We meticulously analyze every aspect of your real estate project, identifying all tax implications and devising optimal strategies for you. Common taxes include Income Tax (ISR), Value Added Tax (IVA), Property Acquisition Tax (ISABI), and Cédular Tax. At WSR Baja, we ensure precise calculation of all taxes and assist you in optimizing your resources.

Corporate Services

Company Creation

Forming a company to support your project is crucial for success. At WSR Baja, we guide you through every stage of this process. Common company structures include Corporations (Sociedad Anónima) and Limited Liability Companies (Sociedad de Responsabilidad Limitada). Our legal experts will thoroughly evaluate your needs to recommend the most suitable structure for you.

Preparation of Meeting Minutes and Corporate Books

Meeting minutes and corporate books are essential for maintaining proper control over your company's decisions and operations. Our team of corporate law experts is responsible for preparing these documents. At WSR Compliance, you can rest assured that your meeting minutes and corporate books will be accurately drafted and organized, allowing you to focus on growing your business.

Corporate Services

Preparation of Contracts

Contracts and agreements are essential to any transaction. We specialize in designing and drafting contracts tailored to the specific needs of your operations, ensuring the protection of your interests and minimizing legal risks. Trust WSR Baja to safeguard your business activities.

Intermediary Services with Notaries

We have established strong partnerships with trusted notaries in the north of the country. We represent you and streamline interactions with Public Notaries, ensuring that each step is managed efficiently. Our comprehensive support guarantees that your interests are safeguarded and that your transactions are both secure and legally binding.

Trademark and Commercial Notice Registration

At WSR Baja, we handle the process of registering your trademark and slogan with the Mexican Institute of Industrial Property. We also provide recommendations on how to legally protect your brand after registration.

REAL ESTATE LAW FIRM

Management

Business Operation Licenses

At WSR Baja, we streamline the process for obtaining the various licenses and permits required for your business operations. Our services include securing State and Municipal Operating Licenses, Land Use Licenses, compliance with Civil Protection and Environmental Regulations, and Advertising Permits. By managing these processes for you, we ensure you are protected from potential fines and regulatory issues.

Construction Permits

From the initiation to the completion of your real estate project, we manage all formalities related to construction, demolition, and modification licenses, as well as obtaining the building's completion certificate. Additionally, we provide services for the regularization of existing properties to ensure compliance with all regulations.
